

CPCSSN Presentations produced and delivered up to December 16, 2014

1. Southgate DA, Greiver M. Effect of "Beyond the Fork" on Mindfulness of Food Choices in Patients With Chronic Diseases: A Pilot RCT. November 24, 2014:presentation-NAPCRG Annual Meeting
2. Singer A. Title of Workshop: BIG DATA: A Multi-Disciplinary Workshop for Academia and Industry. December 4, 2014:workshop-Faculty of Engineering U Manitoba
3. Singer A. Data from Primary Care Electronic Medical Records as a means of improving understanding of chronic diseases in Canada. October 29-31, 2014:presentation-CRDCN(Canadian Research Data Centre Network) conference
4. Shadd J, Ryan B, Maddocks H. Deriving Referral Patterns from a Pan-Canadian Primary Care EMR Database. November 24, 2014 [PDF]. English.
5. Natarajan N, Sabri S, Varatharasan N. The Canadian Primary Care Sentinel Surveillance Network (CPCSSN): A key information source for chronic disease management [PDF]. January 8, 2014:presentation-Quality in Primary Healthcare Seminar Series
6. Natarajan N, Sabri S, Varatharasan N. The Canadian Primary Care Sentinel Surveillance Network (CPCSSN): A key information source for chronic disease management [PDF]. March 6, 2014:presentation-Nova Scotia Department of Health and Wellness – Primary Health Care Information Management
7. Natarajan N, Martin K, Kotecha J, Williamson T, Birtwhistle R. Prevalence, Comorbidity and Management of Five Chronic Diseases from Primary Care EMR Data: The Canadian Primary Care Sentinel Surveillance Network (CPCSSN) [PDF]. July 23, 2014:presentation-the 2014 Primary Health Care Research Conference(PCHRIS)
8. Morkem R, Barber D, Williamson T, Patten S. The Pharmacoepidemiology of Antidepressant Prescribing in Primary Care in Canada [PDF]. May 28, 2014:oral presentation - CPHA conference
9. Moeinedin M, Greiver M. Using Data for Quality Improvement in a Primary Care Organization: Describing the Implementation of the Data Presentation Tool. November 24, 2014:presentation-NAPCRG Annual Meeting
10. Moeinedin M, Greiver M. Optimizing Quality of EMR Data to Improve Care: Leading the Human Side of Change [PDF]. October 16, 2014:presentation-AFHTO conference
11. Martin K, Kotecha J, Natarajan N, Williamson T, Birtwhistle R, Keshavjee K. The Canadian Primary Care Sentinel Surveillance Network (CPCSSN): Extracting and Transforming Primary Care Electronic Medical Record (EMRs) Data for Use in Research, Chronic Disease Surveillance and Practice Quality Improvement [PDF]. July 23, 2014:presentation-the 2014 Primary Health Care Research Conference(PCHRIS)
12. Martin K. Manitoba eHealth on "The CPCSSN Experience" with Alex Singer [PDF]. March 3, 2014: presentation-Manitoba eHealth
13. Martin K. CPCSSN Architecture and Technology Review. January 29, 2014:presentation-Canada Health Infoway Meeting
14. Martin D, Greiver M, Barber D, Moieindin M, Cassidy L. Mining for data gold: How to recycle imperfect EMR data into useful information [PDF]. October 15, 2014:presentation-AFHTO conference
15. Leggett JA. Striking the balance – privacy by design to facilitate research in single and trans-jurisdiction projects [PDF]. January 21, 2014:presentation-University of Calgary, Faculty of Medicine Conference: Database Usage: Ethics and Privacy Considerations
16. Leggett JA. Striking the Balance in this Brave New World of Mega Data. April 25, 2014:presentation-CAREB (Canadian Association of Research Ethics Boards) conference
17. Knight JC, MacDonald DM, Collins K, Roche MM, Dowden JJ. Using EMR/EHR Data for Research and Health System Use in Newfoundland and Labrador. June 2, 2014:presentation-e-Health conference
18. Keshavjee K, Lambert-Lanning A, Martin K, Garies S, Khan S, Morkem R, et al. Analyzing CPCSSN Data: A Hands-On Skills Development Workshop. November 24, 2014:workshop-NAPCRG Annual Meeting
19. Keshavjee K, Guergachi A, Mashayekhi M, Shah B, Boskovic G, Prescod F, et al. Identifying Pre-diabetics in Primary Care EMR database and Potential Technological Interventions at the Point of Care [PDF]. April 8-11, 2014:oral presentation-CDPAC (Chronic Disease Prevention Alliance of Canada) Pan-Canadian conference
20. Keshavjee K, Greiver M, Saggat S, Vassanji K, Muia M, Katz K, et al. Joint Hospital-Primary Care Data Warehouse: Engaging Stakeholders in the Design and Implementation Process. November 22, 2014:presentation-NAPCRG Annual Meeting
21. Jackson D, Garies S, Drummond N, Ross S, Fast H. An Electronic Tool for Developing Case Definitions in Canadian Primary Care Sentinel Surveillance Network (CPCSSN) EMR Data. November 21-25, 2014.PDF. English.
22. Greiver M, Tu K, Sullivan F, Birtwhistle R, de Lusignan S, Delaney B, et al. Using EMR Data and Data Linkages for Primary Care Research: International Perspectives on Challenges and Solutions. November 22, 2014:forum-NAPCRG Annual Meeting
23. Greiver M, Moineddin M, Martin K, Jackson D, Lambert-Lanning A. Formation of Disease Registries in a large Family Health Team (FHT): a Canadian Primary Care Sentinel Surveillance Network (CPCSSN) project [PDF]. May 13-15, 2014:presentation-CAHSPR conference
24. Greiver M, Martin K. Implementing a scalable tool for quality improvement in primary care [PDF]. March 7,

2014:presentation-Health Quality Ontario

25. Greiver M, [Keshavjee K](#), Saggar S, Muia M, Wong E, Sullivan F. Analyzing health data across care systems: The NYGH-NYFHT Joint Data Warehouse [PDF]. October 16, 2014:presentation-AFHTO conference
26. Greiver M, Jackson D, Moeinedin M, Aliarzadeh B, Martin K, Lau F, et al. Improving chronic disease coding in EMRs using CPCSSN data, reporting tools and SNOMED encoding November 24, 2014:presentation-NAPCRG Annual Meeting
27. Greiver M, Griffiths S, Wintemute K. North York Family Health Team Case Study Not Too Big, Not Too Small, But Just Right: Bridging The Gap Between System Level And Individual Physician Data Analytics September 30, 2014:presentation-National Interprofessional Healthcare Conference
28. Greiver M, Griffith S, Southgate D. Transitioning Between EMR Systems: North York Family Health Team "One EMR-One Server" Project [PDF]. October 15, 2014:presentation-AFHTO conference
29. [Greiver M](#). Big Data Workshop [PDF]. July 4, 2014:workshop-Big Data for Health for Fields Institute CIHR
30. [Green M](#), Natarajan N, O'Donnel D, Williamson T, Kotecha J, Khan S, et al. Chronic Obstructive Pulmonary Disease in Canadian Primary Care Practices: A CPCSSN STUDY. May 21-24, 2014:oral presentation-IPCRG (International Primary Care Respiratory Group) 7th World Conference
31. [Birtwhistle R](#), Williamson T, Green M, Griever M, Glazier R. Linking electronic medical records (EMR) with administrative data: The experience of the Canadian Primary Care Sentinel Surveillance Network [PDF]. July 9-11, 2014:presentation-Society of Academic Primary Care
32. [Birtwhistle R](#), Williamson T, Glazier R, Green M, Dahrouge S. Linking primary care electronic health records with administrative data: Diabetes control and hospitalization and emergency room utilization. September 1-2, 2014:presentation-EFPC (European Union for Primary Care) conference
33. Birtwhistle R, Hanrahan LP, Pace WD. Plenary III: Advice for How PBRN's Can Use Big Data for Creating a Learning Health System [PDF]. July 1, 2014:plenary-NAPCRG/PBRN conference
34. [Birtwhistle R](#), [Drummond N](#), [Garies S](#), [Williamson T](#). Bringing primary care and public health together: How CPCSSN is closing the gap [PDF]. May 27, 2014:workshop-CPHA conference
35. Birtwhistle R. Creating Strategic Change in Canadian Healthcare. May 15-16, 2014 Panel on ehealth-Queen's Health Policy Conference
36. Birtwhistle R. Public Health and Primary Health Care: Creating a Research Agenda. June 4-5, 2014:workshop panel-Prevent More to Treat Less Association of Ontario Health Centres Meeting
37. Birtwhistle R. What Gets Counted Counts: Leveraging Primary Care Data to Enhance Ontario's Data and Surveillance Systems for Child Health [PDF]. June 4-5 2014:workshop panel-Prevent More to Treat Less Association of Ontario Health Centres Meeting
